

ESTIMATED TIME LINE

This estimated time line is **only a guide for swimmers** for use in determining our best guess as to the start of events. Depending on how quickly swimmers exit the pool following events, scratches on distance events, number of relay entrants, and delays in the meet, we may be ahead of the estimate or behind the estimate. It is the responsibility of all entrants to get to the pool well before their event and to be behind the blocks before their event starts. **Note: The 1650s are likely to be ahead of the posted timeline due to scratches in the 1000.**
