

Help Identify These Top 10 Swimmers!

On the following pages you will see lists of swimmers who appear in old USMS Top 10 listings. We do not have positive identification for these swimmers. In most cases we do not have any registration information for them, such as birthdates. In some cases, it is possible that the name was misspelled.

If you can provide any information on these swimmers (such as maiden names, married names, birthdates, city of residence, etc.), then please send it to: Volunteer@usmastersswimming.org and to Barbara c/o Archives@usms.org.
