Minutes

I. Call to Order & Introductions

The meeting was called to order by Lynn Hazlewood, Zone Chair, at 5:45 pm. Introductions were made.

II. Election Prep

The committee accepted by consensus a revised ballot counting procedure for Saturday's Executive Committee election. The basic process had been defined during the June 10 conference call and in subsequent email discussions and compiled by Craig Campesi, Colonies Zone Representative. The major change was to have 2-person teams counting and proofing together rather than single counters whose count would be proofed after the fact. A copy of the revised procedures is attached to the minutes.

Note: In the House of Delegates meeting on Saturday, November 17, an amendment was MSA to substitute the ballot counting procedures used in previous years for the process described in the attachment. The new procedures appear in Appendix C of the Election Operating Guidelines.

III. Meet the Candidates Forum

Melissa Rinker, Great Lakes Zone Rep and chair of the Candidates' Forum Sub-committee, reviewed the process by which questions were selected for the forum. Questions were first broken out by office. The Zone Chair and sub-committee chair then reviewed the questions to select those to be used. Priority was given to questions that were directed to an office and not a person, were fair to the candidates, and were relevant to important issues facing USMS. It was determined that the Presidential candidates would answer three questions while the other candidates answered two. The content of the questions would be as follows: a) Candidates for President and Vice President would answer policy oriented questions, b) the secretarial candidates administrative questions, and c) the candidate for treasurer financial questions.

IV. Zone Representative Elections

The Zone Chair discussed the importance of this year's Zone Rep elections and pointed out that there is a possibility that the position might be changed if some of the proposed legislative amendments pass. It was determined that two Zone Reps intend to stand for re-election—Melissa Rinker, Great Lakes Zone, and Larry Wood, South Central Zone. June Krauser, Dixie Zone, reported that she will be nominated, but has not yet decided whether to run.

V. Election Operating Guidelines

MSA - amendments to the Election Operating Guidelines (EOG). E20 and E21 were disapproved. E1, E14a, and E19 were approved as amended. E1, E14a, and E19 were approved as amended. The remaining amendments were approved as submitted.

Adjournment

The meeting was adjourned at 7:10 pm.

BALLOT COUNTING PROCEDURES

The following outlines the procedures that will be used to count, record, and report the results of the election ballots.

1. The ballot counting team shall be at least 9 people (Zone Committee), and shall be divided into four pairs of counters and one clerk.
2. The ballots shall be divided into four approximately equal bundles, and each bundle shall be numbered. (Estimated 200 delegates = 25 ballots per bundle)
3. Each pair of counters will receive a bundle
4. The counters shall record on the tally sheet their names, bundle number, and number of ballots in bundle.
5. The counters shall then count the ballots by recording each ballot on the tally sheet. One mark shall be made for each office per ballot. One person will read the vote, while the other marks the tally sheet.
 - a. If a ballot does not have any candidate selected for an office the “**abstained**” block shall be marked.
 - b. If a ballot has more than one candidate selected for the same office—the block mark “**bad ballot**” shall be marked.
 - c. If a ballot has a write-in for a candidate, the vote shall be recorded on the blank line on the tally sheet for that office.
6. After recording all the ballots, count up the number of marks per candidate and record on tally sheet. Also add up the counts for each office and compare to your overall ballot count.
7. Once you and your partner have completed the count, proof the count to make sure no votes have been missed. The counter who wrote the marks will read them while the proofer verifies by reading the ballots.
8. Turn your tally sheets and ballot bundles into the clerk, for recording on the master tally sheet (see attachment B).
9. The clerk shall record all tally sheets and sum the results to determine the election results. One of the other counters shall review and verify the results. Additionally the percent of votes for each candidate shall be calculated based upon the number of total valid votes cast per candidate.
10. After reviewing the results, the master tally shall be given to the Zone Chair for reporting to HOD. .
11. If an office does not have a majority winner (>50%), in accordance with the EOG, a new vote will be held between the top two candidates from the first vote, and the recount will be done using the same procedure above.

AMENDMENTS TO ELECTION GUIDELINES

DISAPPROVED AMENDMENTS

E20 **IX. Voting** Paul Fortoul, MR LMSC

F. The counting of ballots shall be observed by volunteer delegates who are not members of the Board of Directors. In the event that there is more than one volunteer from a Zone, the representative from that Zone shall be chosen by lot.

E21 **IX. Voting** Paul Fortoul, MR LMSC

G. The results of each vote count shall be announced and recorded.

Rationale: To ensure an open and fair voting process and to inform the delegates of the strength of the positions advocated by the various candidates.

AMENDMENTS APPROVED AS AMENDED

E1 **I. Purpose** Zone Committee

The purpose of the Election Operating Guidelines ("EOG") is to list and maintain in one place all of the election policies and procedures currently in existence in United States Masters Swimming, Inc. ("USMS"). EOG will be updated by the Election Committee at the convention in the year prior to an election. Copies will be made available to any USMS member through the National Office upon request.

Rationale: States the purpose of developing guidelines.

E14a **X. ~~Nomination~~ Election Guidelines for Zone Representative** Zone Committee

A. The Zone Representative shall request nominations from each LMSC in the Zone by June 1 each election year.

~~B. The Zone Representative shall send each nominee a consent-to-run form.~~

~~C. The Zone Representative shall send a list of candidates to the LMSCs and to the delegates from the Zone who attended the prior Convention.~~

~~D.~~ B The Zone Representative shall appoint a delegate to accept nominations from the floor and to run the election if the ~~incumbent~~ Zone Representative is running again.

~~E. In a Zone meeting, each legally appointed delegate to the House of Delegates has one vote.~~

Rationale: These are cumbersome regulations that the zones don't know exist. With the exception of soliciting nominations early in the year and appointing someone else to run the election when the incumbent is running, zones should be allowed to handle their own elections as long as the Zone Representative is primarily an internal leader.

E19 **VII. ~~Convention Nominations for the Election Ballot~~** Zone Committee

- A. The report of the Nominating Committee, floor nominations, ~~Nomination-nominating~~ speeches, and acceptance speeches should be made at the first meeting of the House of Delegates.
- B. The Chair of the Nominating Committee will present the slate of nominees.
- C. The Chair will then call for nominations from the floor for each office.
- ~~B~~D. Each nomination requires a delegate nominator.
- ~~C~~E. Each nomination requires a delegate seconder who will not speak on behalf of the candidate.
- ~~D~~F. After nominations are closed, each candidate will be given a total of five (5) minutes during which time the nominator and/or candidate may speak.

Rationale: Cleans up the procedure for the nomination session in the HOD. Seconding of nominations is allowed, but not necessary.

AMENDMENTS APPROVED AS SUBMITTED

E2 **II. General Information** Zone Committee

- C. Exchange of documents between the Election Committee and other participants in the process shall be done by electronic media.

Rationale: Using electronic media will assist in expediting the processing of documents, particularly during complicated elections with multiple candidates.

E3 **II. General Information** Zone Committee

- D. These guidelines may be modified during an election to allow for variations caused by uncontested elections, changes in expected convention schedules, and any other circumstance that may interfere with adherence to all the guidelines set forth.

Rationale: Allows for flexibility to account for the various conditions which may occur during elections.

E4 **III. Publications** Zone Committee

- A. A request for nominations shall be announced at the Convention, printed in the January/February SWIM magazine, posted on the USMS Web Site, and posted in the National Office Newsletter. The announcement will include the candidate qualification criteria.
- B. Information on the election shall be posted and regularly updated on the Election Section of the USMS Web Site. Notification of web site changes shall be posted on the "What's New" discussion forum. Candidate information to be published on the web site shall be limited to the candidate questionnaire and a digital picture.
- C. Information on the election shall be delivered to the national office by August 1 to be published in the convention packet. Published information shall be limited to the candidate questionnaire, resume, and picture. Candidates may be permitted to attach an addendum to their questionnaire if issues crucial to USMS have surfaced since the questionnaire was first written.

Rationale: Defines the location and content of the public information for the election.

E5 **III. Publications** Zone Committee

D. Candidate letters of nomination, letters of reference, and endorsements by LMSCs may be published with the permission of the author. Evaluation forms shall remain confidential and shall be for Election Committee use only.

Rationale: With the permission of the author, endorsements and letters of reference should be publishable. Evaluation forms are similar to employee evaluations and should be accorded the confidentiality of same.

E6 **IV. Nominations for the Pre-Convention Slate** Zone Committee

A. Nomination of Candidates

1. The nomination period shall be from January 1 through March 31 of the election year.
- ~~2. Any USMS member may nominate a candidate for office.~~
- ~~2. Nominations shall be sent to the Nominating Committee Chair no later than the last day of February in the election year.~~
- ~~3. Upon receipt of a nomination, the Nominating Committee Chairman shall send a consent to run form/questionnaire to the nominee. These are to be completed and returned with a resume by March 31. The resume shall be a one page (one side, 8 1/2 X 11 inches) summary of the nominee's qualifications.~~
3. The Election Committee shall develop a nomination packet which shall be posted on the election web site by December 1 of the year preceding the election. The packet may also be distributed by e-mail upon request. Contents of the packet shall be as follows:
 - a. Instruction sheet for nominees (including nominee qualification criteria)
 - b. Candidate questionnaire/consent-to-run form
 - c. Sample Evaluation Form
 - d. Copy of the Election Operating Guidelines
4. The completed packet shall be returned to the Election Chair by March 31 along with:
 - a. A letter of nomination from a USMS member
 - b. A one page resume
 - c. Two personal letters of reference
 - d. A letter of endorsement from the nominee's LMSC
 - e. Digital picture
- ~~4.5. Evaluation forms will shall be sent to at least one Committee Chair of a committees that each nominee has served on. It is recommended that the nominees should have been on these committees no longer than five years previously. These are to be returned by the end of April 30.~~
- ~~5. Personal letters of reference will be the responsibility of the nominee and are also due back by the end of April.~~
- ~~6. Successful candidates will be asked to submit a picture by July 1.~~

Rationale: Developing a packet of information will inform candidates of exactly what to do, when, and how. It also reduces the number of steps in the process and makes it less complicated and cumbersome. The extended timeline allows the candidates, who have more responsibility in this scheme, time to get all the documents in order. It does not affect the overall schedule.

B. Nomination of Current Officers

2. When current officers are running for re-election and no other nominations are received, no other activity is required of the committee other than preparing information for the convention packet and updating the election web site.

3. ~~Current officers must submit a consent-to-run form~~ Section One of the Candidate Questionnaire/Consent-to-Run Form, a one-page resume, and photo for the convention packet. Candidates may submit a full questionnaire if they choose.

Rationale: Updates the language to include reference to the web site and formalizes the process of getting consent to run from current officers.

E7 **V. Candidate Qualification** Zone Committee

- A. All completed questionnaires and endorsements will be ~~copied and sent~~ transmitted to each Nominating Committee member by May 1.

Rationale: Correct wording since all documents will be exchanged electronically.

E8 **IV. Candidate Qualification-Nominations** Zone Committee

- C. ~~Qualification Criteria-Floor~~ Nominations

- ~~64. Candidates nominated from the floor of the House of Delegates shall be subject to the same qualification standards as candidates nominated through the early nomination process-registered members of USMS prior to their nomination.~~

Rationale: Requires candidates to be members of the corporation before being nominated.

E9 **V. Candidate Qualification** Zone Committee

- D. Procedures for Candidate Qualification

4. When an Election Committee member is unable to reach a conclusion as to in-doubt about the qualifications of a candidate, they should vote to put that candidate on the slate and let the House of Delegates decide whether to elect that person.

Rationale: More elegant and clear wording.

E10 **V. Candidate Qualification** Zone Committee

- D. Procedures for Candidate Qualification

5. All candidates who meet the stated qualifications shall be placed on the slate.

Rationale: The purpose of the qualification process is for the election committee to make sure all the candidates on the slate meet the qualification criteria set forth in these guidelines. The purpose is not to reduce the number of candidates to avoid an unwieldy election or to determine which candidates are more qualified than others.

E11 **VI. Campaign Policy** Zone Committee

- ~~A. The Zone Committee Chair will submit candidate questionnaires, resumes, and pictures of candidates to the national office for inclusion in the convention packet by August 1.~~

- ~~BA. Publicity will be provided for the candidates on the election web site and in the convention packet. In addition, A a display chart with the information about pictures of the candidates printed in the convention packet should be created for display and will be posted on-site in a visible area before and during the Convention.~~

- ~~B. The Election Committee shall open an election thread on the USMS Discussion Forum to allow for an exchange of ideas between candidates, delegates, and other members of USMS.~~

Rationale: Updates the definition of the publicity that will be provided for the candidates in lieu of the traditional campaigning prohibited in VI-C and VI-D.

E12 **VII.IV. Nominations for the Election Ballot** Zone Committee

EC. Floor Nominations

1. Nominations will be accepted from the floor of the House of Delegates before the end of the first session at the same time as the nominations for the candidates on the slate.
2. Immediately following the nomination, Sections One and Two of the Candidate Questionnaire/Consent-to-Run Form must be submitted to the Election Chair. The candidate may also submit a fully completed questionnaire, a one-page resume and/or a picture (4 x 6 maximum size). Prior to nomination, the written consent of the nominee must be submitted to the Zone Chair.
3. Any candidate nominated from the floor will be required to submit a one-page (one side, 8 1/2 X 11 inches) resume and two letters of recommendation which The candidate questionnaire and resume will be duplicated and distributed to the House of Delegates to allow time for review prior to the election. The picture will be placed on the display board with the other candidates.

FD. A candidate may be nominated for more than one position, but may not be slated for more than one.

Rationale: Updates the requirements for floor nominees to make their processing consistent with other candidates and to reflect changes made in other parts of the guidelines. Also moves section E & F under IV Nominations section so all nomination information will appear in the same place in the guidelines.

E13 **VIII. Meet the Candidates Forum** Zone Committee

- A. There will shall be a Meet the Candidates Forum in order for the voting delegates to familiarize themselves with the candidates unless current officers are running for re-election and no other nominations are received.

Rationale: Requires the candidates' forum. In the case of uncontested elections or those where a forum would not be of value, section IID will allow for not having the forum.

E14b **X. Nomination Guidelines for Zone Representative** Zone Committee

A. Zone Representatives shall be subject to the same election guidelines as the Executive Committee Officers with the following exceptions:

1. Zone Representative candidates shall provide the Candidate Questionnaire/Consent-to-Run form, letter of nomination, resume, and picture. Other requirements from the nomination packet shall be at the discretion of the zone.
2. Candidate qualifying shall be done by the Zone.
3. Zone Representatives will not participate in the Meet the Candidates Forum.
4. The report of the Nominating Committee, floor nominations, nominating speeches, and acceptance speeches, and voting shall be done at the annual zone meetings during convention.
5. The zone meetings shall follow the same nomination and voting process as the House of Delegates.
6. The Zone Representative shall appoint a delegate to accept nominations from the floor and run the election if the incumbent is running again.
7. In a Zone meeting, each legally appointed delegate to the House of Delegates has one vote.

B. This section shall only be in effect if Zone Representatives become members of an elected Board of Directors of USMS.

Rationale: E14b is a contingency amendment in case L8 passes in the House of Delegates. If Zone Representatives become members of an elected Board of Directors, they should go

through the same election process that Executive Committee members do. It is important that our governing body be elected in a fair and equitable manner with all persons operating under the same rules. This will allow candidates to put themselves forward for election in the same manner as national officers do and without reference to the internal politics of the LMSC or Zone. It will also afford nominees an opportunity to have their candidacy publicized ahead of convention and give delegates in a zone a basis for evaluating candidates in contested elections.

E15 **Committee Name** Zone Committee

Throughout the document, replace "Zone Committee" and "Nominating Committee" with "Election Committee" except in **II-A** as follows:

- A. Anyone serving on the Zone Committee who is nominated for a National office or is related to someone nominated for a National office shall not participate in any Nominating Election Committee activity. The affected Zone shall appoint a temporary replacement to fulfill the Nominating Election Committee duties.

Rationale: Housekeeping which will be needed if L-22 is passed.

E16 **Appendix A: Schedule** Zone Committee

Correct dates and jobs in the schedule to conform with the changes made when amendments are passed.

Rationale: Housekeeping

E17 **Appendix B: Nomination Packet** Zone Committee

See attached proposed nomination packet. In the event L-8 passes, the convention packet should be amended so it will be applicable to Zone Representative elections.

E18 **Appendix C: Suggested Procedures for Counting Votes in Multi-Candidate Elections** Zone Committee

TBD after the votes are counted in the 2001 Election

APPENDIX C: SUGGESTED PROCEDURES FOR COUNTING VOTES INSTRUCTIONS TO NOMINEES

Personnel

The minimum personnel needed to count the ballots are:

- 1) 1 Vote Caller
- 2) 2 Vote Recorders
- 3) 2 Observer/Proof Readers
- 4) 2 Vote Counters

Other members of the Election Committee may participate in the counting or observing in any fashion the Election Chair requires.

Counting Process

The following procedure will be followed to count the votes:

- 1) Count one office at a time.
- 2) Divide the ballots into piles of ten (10) ballots each.
- 3) The vote caller calls out the vote for each ballot.
- 4) The recorders record the count on separate tally sheets.
 - a) If a ballot does not have any candidate selected for an office the “**abstained**” block shall be marked.
 - b) If a ballot has more than one candidate selected for the same office—the block marked “**bad ballot**” shall be marked.
 - c) If a ballot has a write-in for a candidate, the vote shall be recorded on a separate line on the tally sheet for that office.
- 5) After each set of ten ballots, the recorders will make sure they have recorded ten total votes.
- 6) After all ballots are recorded, the vote counters will count the votes for each candidate and compare the totals from each tally sheet.
- 7) If the counts are the same, then the results are determined. If the counts are different, repeat steps three (3) through seven (7) for that office.
- 8) Repeat steps three (3) through seven (7) until votes are counted and verified for all offices.

Run-Offs

If an office does not have a majority winner (>50% of valid votes cast), in accordance with the EOG, a new vote will be held between the top two candidates from the first vote, and the recount will be done using the counting process specified above. Any ballots marked during the run-off for eliminated candidates will be marked as "bad ballots."
