

**UNITED STATES AQUATIC SPORTS
CONVENTION XXVIII
HYATT REGENCY, ORANGE COUNTY
SEPTEMBER 24-30, 2007**

**DISNEYLAND VALUE PRE-SALE
TWILIGHT PASSES**

We have been given the opportunity to offer Disney Twilight Passes to our delegation, for pre-sale only, at a reduced rate of \$40.00 each per night. Twilight Passes are \$48.00 if purchased from the hotel concierge and are not sold at the gate. Ages 2 & under are free.

Twilight Passes are valid from 4:00 p.m. or for 4 hours before the park closes each night, whichever is earlier, and can be used on any evening at Disneyland or Disney's California Adventure (no park-hopping privileges).

Should you wish to purchase these tickets, please include a separate check to cover the cost of the tickets, along with the form below when you send in your convention registration form. Orders may also be sent in separately, so long as they are postmarked by August 28, 2007. (USAS Delegate Registration, 16700 Indigo Road, Lakeville MN 55044)

This is an exceptional bargain and these passes will not be for sale at this price after August 28, 2007. Questions? – email: rlhlbrown@msn.com

Passes purchased under this program will be available for pickup when you register at the USAS registration desk. If you are planning to use these passes before Mon, Sept. 24, 2007, please check the box below and the passes will be mailed to you by USPS first class mail.
