

VP for Programs Report

March 19, 2013

LONG DISTANCE COMMITTEE

The Safety Committee had a meeting to review three National Championship Events with the directors by looking at the following overview items:

- Course description
- Plan to account for participants during the event
- Medical evacuation plan
- Communications plan
- Review of cancellation/postponement plans prior to as well as during the event
- Water testing

Discussed sanction guidelines

OPEN WATER COMMITTEE

Held a meeting last week using the webinar set-up to practice using it before inviting guests. Discussed the safety webinars, safety guidelines, insurance fee rebate program, officials' guidelines & education and clinic grants.

OFFICIALS COMMITTEE

Forwarded the Officials Committee liaison guidelines to the President. Discussed the need to provide any reimbursements for the Officials Committee liaison to the NC meets in the Committee budget.
