

Continental Divide Zone Meeting
Sat. 9/26/87, 8:30

Chairman: Edie Gruender

Others present: Jack Buchanan, Margaret Stannard,
Dan Gruender, Peg Buchanan

The report was given for the year's participation of L.M.S.C.'s within the Zone. Arizona, Colorado, New Mexico, and Utah share newsletters and/or entry mailings.

Addresses and name changes were updated for the mailing list of L.M.S.C.'s.

The Zone Championship was discussed and the possibility of it's being a Postal Meet was accepted very favorably.

The distribution of the Calendars was discussed.

We went over the number of meets offered in each L.M.S.C. and realized the use of the Newsletters including each others' entries were helpful because people from outside an L.M.S.C. were attending meets. Lake swims are getting popular in Colorado.

Margaret Stannard was elected as the new Zone Chairman.

Meeting was adjourned at 9:25.
