Ed Saltzman is in charge of selling our Dixie Zone Top Ten patches. He reported that he has sold 14 patches this year. Ed reminded the members to contact him if they would like to purchase a patch. Cost is \$3 per patch.

7. ZONE MEETS

Debbie gave a brief report on the 2 Dixie Zone Championships that have been held so far this year. Pompano Beach hosted the Dixie Zone SCY Championship and Ft Lauderdale hosted the Dixie Zone LC Championship. Their turnouts were 278 and 178 respectively. Both meets were very successful. Debbie did get some feedback from these meets for comparison. Both meets had approximately 30+ swimmers from out of state attending. Both liked being designated as the Dixie Zone Championship, but neither said that they thought being designated as the Dixie Zone Championship had an impact on their attendance. They responded that the appeal came from having that as the title of the meet, bragging rights, etc... The meets did differ on their entry fees, awards, and what types of relays that they offered. This will be discussed further under 'New Business.' The last 2009 Dixie Zone Championship will be SCM in Columbia on October 31-November 1.

Next topic were the possible venues for 2010 Championships. There were 2 sites bidding for SCY: Orlando, Florida and Ft Lauderdale, Florida. **MSA TO AWARD THE DIXIE ZONE SCY CHAMPIONSHIPS TO ORLANDO.** Dates are March 26-28. The following 3 sites were bidding for LC: Sarasota, Florida; Ft Lauderdale, Florida; and Greenville, South Carolina. **MSA TO AWARD THE DIXIE ZONE LC CHAMPIONSHIPS TO SARASOTA, FLORIDA.** Dates are June 12 & 13. There were 2 sites bidding for SCM: Orlando, Florida and New Orleans, Louisiana. **MSA TO AWARD THE DIXIE ZONE LC CHAMPIONSHIPS TO NEW ORLEANS.** That will be held in early December. Rob Copeland suggested that we host a Dixie Zone Open Water again, as we had done in previous years. **MSA TO AWARD THE DIXIE ZONE OPEN WATER CHAMPIONSHIP TO SARASOTA, FLORIDA.** This event will be held on October 2 and will offer a 1k, 3k, and 5k swim. Mark Gill from the National Office will be involved in setting up this event.

## 9. NEW BUSINESS

Zone policy- Debbie asked the committee if we should make it a Dixie Zone policy to not allow another Dixie Zone meet to take place on the same weekend as Dixie Zone Championship. This would ensure better promotion of these Championship events. On the other hand, there are times that a meet host may be restricted to a certain meet date and would not be able to reschedule that event. Rob Copeland made a motion that we set a standard policy of no other events allowed on the weekend of a Dixie Zone Championship. In the case of extenuating circumstances (such as no other dates possible for that meet), the meet host should appeal to the Dixie Zone Executive Committee for permission to host their meet on those dates. **MSA TO SET A DIXIE ZONE POLICY WHICH PROHIBITS MEET HOSTS FROM HOSTING MEETS ON THE SAME WEEKEND AS A DIXIE ZONE CHAMPIONSHIP: FOR EXTENUATING CIRCUMSTANCES, THE MEET HOST MUST APPEAL TO THE DIXIE ZONE EXECUTIVE COMMITTEE FOR PERMISSION TO HOST THE MEET ON THOSE DATES.** The Dixie Zone Executive Committee shall be comprised of the LMSC Chairs and the Dixie Zone representative. Ed Saltzman made an immediate appeal to this committee to be allowed to host the St Patrick's Day SCY Invitational on March 27&28, which is the same weekend as the Dixie Zone SCY Championship in Orlando: this is the only weekend that the pool is available. The Executive Committee met and approved this request.

Guidelines for Dixie Zone Championships- There was discussion about establishing guidelines for all Dixie Zone Championship meets, to try to make them as uniform as possible. One suggestion was to offer Dixie Zone patches for winning an event at a Dixie Zone Championship, but limiting each swimmer to only 1 patch, regardless of how many events they may win. These patches could be purchased by the Dixie Zone and made available to each Championship host. Another suggestion was to have uniform team awards at all Dixie Zone Championships. Barb Protzman stated that in the Colony Zone, they did have established guidelines: she will try to locate these to refer to. **MSA TO FORM A SUB-COMMITTEE TO DEVISE GUIDELINES FOR THE DIXIE ZONE CHAMPIONSHIP EVENTS.** Members on this subcommittee are: Barb Protzman, Jerry Clark, Patty Nardozi, and Joan Campbell. Debbie asked the sub-committee to report back to her in 1 month with their suggestions. These guidelines could go into effect for 2011.

Clinics- Sean Fitzgerald reported that Karylyn Pipes-Nielsen will be returning to Atlanta to give a swim clinic at the Georgia Tech pool in November. Viki Hull said that there was interest for a clinic in South Carolina. Rowdy Gaines will be giving a clinic during the Orlando SCM meet in October. It was also mentioned that the ASCA Clinic will be held on Labor Day weekend next year in Indianapolis.

10. DISCUSSION OF "HOT" CONVENTION TOPICS

Sean Fitzgerald, who is the current Legislation Chair, announced that there are 73 Legislation proposals. He said that 34 have been approved by the Legislation Committee, 35 have been approved with amendments, and 4 proposals failed to pass.

11. OTHER

Jerry Clark expressed appreciation from the entire Zone committee to Rob Copeland, our outgoing USMS President, for all of his hard work in serving US Masters Swimming during the past 4 years. Rob was given a heartfelt round of applause from the Dixie Zone committee.

Laura Hamel from the National Office noted that our Dixie Zone is the host zone for the new National Office in Sarasota. She welcomed anyone to come visit the National Office at any time. Hill Carrow noted that all finalists for the selection of the National Office site were actually from our Dixie Zone.

The meeting was adjourned at 9:36 AM.
