

MINUTES OF THE LEGISLATION COMMITTEE MEETING - II

9/25/97

1:55-3:55pm

L9 - Insurance Committee Chairman, Colleen Driscoll, express her opinion that the functions of the Safety Education Committee are better suited by being organized into a separate standing committee. Jane Moore reported that the Sports Medicine, Health and Safety Committee also agreed that Safety Education issues were better handled by a separate committee. The committee requested that the wording for change be revised to reflect the definition of all other standing committees. The committee is waiting for a rewrite, and will make the final determination at the next Legislation committee meeting.

L4 - The committee MSA a motion to reconsider L4. Requested friendly amendments were presented by legal Counsel, Jeanne Crouse. The amendments were individually reviewed and adopted. The amended L4 was voted out favorable by the committee. A copy is attached to the minutes.

L1 - L1 was withdrawn by its maker.

L3 - Revised language for L3 was presented by its maker. The proposed language reads:

202.3. FITNESS EVENTS—Fitness events are USMS events ~~approved promoted~~ by the USMS Fitness Committee LMSC's, or clubs. Swimmers Participants shall be registered to participate in fitness events promoted by the USMS or its LMSCs with USMS or obtain a One-Event Registration to participate in these events. A Fitness Event shall be a Sanctioned Event or performed in an organized/supervised practice.

The amended L3 was voted out favorable by the committee.

L3A - In conjunction with L3 the Fitness Committee proposed a Glossary change. . The proposed language reads:

Fitness Events—events designed to encourage and enhance fitness, ~~exclusive of events covered by Parts One and Three.~~

The L3A was voted out favorable by the committee.

L5 - L5 was amended to correct the exclusion of the Vice President from 504.1. The amended L5 was voted out favorable by the committee.

Respectfully submitted by Rob Copeland.
