

Metropolitan Annual LMSC Meeting: October 4th, 2021

Main meeting talking points- Discussed all the problems COVID had on Metro LMSC yearly agenda. Most pools are state, local and/or school run. Major issues in regards to the LMSC is that all pools are shut and no teams can really practice, constantly delaying return to swimming normalcy.

Attendees

- RC Saint-Amour
- Jayne Saint-Amour
- Jon Einsidler
- Bob Kolonkowski
 - Josh Storch consulted by phone

Bill Ross Meet

- Consulted with USMS for covid protocol
- Talked logistics (how to pivot running a swim meet during covid)
- Requesting participants send in proof of vaccination, negative test or exemption
- Mask wearing
- Limiting congregation
 - Heat sheets previously emailed
 - Email results
 - Give commemorative medal instead of the race award medals
- T-shirt giveaway
- Applying for zone championship status?
- Free registration but requesting donation for pancreatic cancer research

Tech

- Reinstate Constant Contact
- Talked about investing in a website since our old one broke. Possibly pivoting to using the USMS standard website and focusing on contestant contact and social media for disseminating information
 - Zone starting to hosted their own site and each LMSC will switch paying the fee

Budget

- Passed 2022 Budget – same as last year
- Storage is the biggest cost
- Membership half of normal. But hopefully for a change

Convention

- Hopefully this is happening again in 2022
