

Utah Masters LMSC
Minutes of the December 11, 2012 Annual Meeting
Salt Lake City Public Library – Downtown Branch

Presiding: Dennis Tesch, LMSC Chair

1. One event fee registration – reduced from \$25 to \$15. This was the only change in our fees for the upcoming year.
2. Gordon Gridley, Web Master submitted an update on the webpage and new pull down menus. He would like suggestions on how to organize and make it more useful for membership.
3. Discussion to create a combined USA/USMS Utah swimming series for the summer LCM season. Looks like it might happen and the meets will be held in April, May, June, and July.
4. Recent incident at Herriman Swimming Pool with a workout group – need to educate coaches and teams about protocol and etiquette with facility managers, public patrons. Coaches need to be aware of safety problems and know proper response to situations. Also raises good reasons to have USMS memberships in place to have secondary insurance coverage
5. Open water events–Committee Chair Josh Green reported the same number of events for 2013 as in 2012; will expand Great Salt Lake Swim to 2 days.
6. Treasurer Kyle Treadway provided YTD Financial Statement and Balance Sheet - reviewed and approved.

ADJOURNED

Kyle Treadway
Secretary, Utah Masters LMSC
