CONVENTION REPORT by JUNE KRAUSER

In looking back over the last eleven conventions and meetings of Masters Swimming I find only five persons attending this twelfth meeting that have been around since the beginning of Masters Swimming - Ham Anderson of Texas, Dan & Edie Gruender of Arizona, Ted Haartz of Mass. and yours truly of Florida. Many changes have taken place during these dozen years and the most impressive one is in the increased participation at the meetings! This by far, was the largest meeting ever! The increased participation at our meetings is in direct proportion to the increased participation at our National Championships which is in direct proportion to the number of registered Masters Swimmers.

Dr. Ransom J. Arthur, the motivating force behind the Masters Swimming Program, was finally forced to admit that the larger the program became, the more rules we would have to adhere to. This was in evidence at our Annual Meeting in Cincinnati, Ohio on Sep. 28-Oct. 2, 1983! In fact, at many times during the meeting it seemed that we didn't quite know what rules we were following. I am sure that it was quite confusing to some of the new delegates and some of us who have been around a long time were just as confused. We remember how nice and relaxed the meetings use to be and it is hard to get use to 'clamping' down and following Roberts Rules of Order. We should all read that book before next year's annual meeting in Indianapolis, Indiana.

We have more committees than ever before and their meeting times overlapped. This made it difficult to attend all that one might be interested in attending.

We have 249 Registered Clubs this year with a total of 13,073 registered swimmers, the latter figure representing an increase of 9.4% over one year ago. The date of our Registration Year is going to change but I am not quite sure as to the correct dates at this time. It is sometime in the fall instead of from Jan. 1 to Dec. 31. Enid Uhrich will remain the Registrar and has done good job.

We have one more year to go on our three year insurance policy covering Group Personal Accident Insurance for which each registered athlete pays 65¢ per annum. The policy provided \$10,000.00 accidental death and dismemberment and up to \$2,000.00 accidental medical expense. These limits drop to 50% coverage at age 65 and 25% coverage at age 75. These benefits drop because of the higher risks associated with age and because of the availability of Medicare to those over 65. Our general liability policy is also a three year policy which will expire December 31, 1984 with the above policy. This policy covers USMS, Inc., USMS members acting on behalf of and with the approval of USMS Inc. and its LMSCs and finally, person(s) or organization(s) while acting as a host or sponsor of an approved event.

After the presentation of bids for the 1985 National Championships, the following were awarded:

- SC - May 10-13, 1985, Schroeder Aquatic Center, Milwaukee, WI
- LC - Aug. 17-20, Brown University, Providence, R.I.

YEAR SC LC

1972	San Mateo, CA	Bloomington, IN
1973	Santa Monica, CA	Chicago, IL
1974	Ft. Laud., FL	Santa Clara, CA
1975	Ft. Laud., FL	Knoxville, TN
1976	Mission Viejo, CA	St. Louis, MO
1977	Ft. Laud., FL	Spokane, WA
1978	San Antonio, TX	Providence, R.I.
1979	Mission Viejo, CA	Dearborne, MI
1980	Ft. Laud., FL	Santa Clara, CA
1981	Irvine, CA	Canton, OH
1982	Woodlands, TX	Portland, OR
1983	Ft. Laud., FL	Indianapolis, IN
1984	Industry Hills, CA	Raleigh, NC
1985	Milwaukee, WI	Providence, R.I.

MASTERS SWIMMING - ANNUAL MEETINGS

1973	West Yellowstone, MT
1974	Washington, D.C.
1975	New Orleans, LA
1976	Phoenix, AZ
1977	Columbus, OH
1978	San Antonio, TX
1979	Las Vegas, NV
1980	Snow Bird, UT
1981	Snow Bird, UT
1982	Memphis, TN
1983	Cincinnati, OH
1984	Indianapolis, IN

There will be a change in procedure for the Masters Swimming Rules Committee for next year. All proposed amendments will be submitted by June 30, 1984. All submitted amendments will be sent to the committee members for additions, corrections, etc. All of the proposals will be submitted to all of the delegates attending the convention. The amendments will be discussed and voted on by the Rules Committee on the first day of the convention. The Rules Committee will recommend by a majority vote to the Board of Governors. Any amendment not recommended by the committee will take a 2/3 vote of the Board of Governors to be adopted.

The following items were adopted this year:

1. A new organization was formed - MSI - Masters Swimming International
2. Each LMSC will be entitled to one member for the BOG and with a registration of over 300 to one additional member, and for each additional 500 registered swimmers, one more member.
3. We voted to keep the 7 Zones as tried last year.
4. All Masters Swimming and Long Distance Masters Swimming must be sanctioned by the LMSC.
5. Effective Jan. 1, 1986 the 20-24 age group will be added with the relays changed to 20+, 30+, 40+,....80+.
6. The eligibility of a participant for a particular age group will be determined by his age as of the LAST day of the meet.
7. A rewritten section on National Championships. Our Zone rotation system will consist of just three Zones - West, Central and East. Team scoring will be Women (Ind & relay events), Men (Ind & relay events) and Combined (both of above plus mixed relay events). USMS will provide Team Awards for the three categories.
8. For 1984 we will follow the false start rules used in 1983.
9. Our rules now provide for an executive committee.

We have a lot of work ahead by adding the 20-24 age group! We will have to come up with some plans for reducing the size of our National Championships. Remember, we actually have 15 National Championships at one time. (15 age groups - men & women). USS Nationals only have 1 National Championship. In order to keep all of the Goals & Objectives of Masters Swimming in mind and still be able to run 15 National Championships at one time, someone has to come up with some unique ideas! If you have any, please pass them on.

## Californian wins 5th gold

# Grandma not too old to win

By KURT PRESIDENTIAL

A grandmother from California who was once told she was too old to compete in the U.S. Olympic Team made her fifth gold medal Friday in the U.S. Masters Swimming Championship.

And today, 54-year-old Gail Roper of Menlo Park, Calif., figures to make it six. That's the most events she can enter in this four-day aquatic marathon winding up Sunday in the Natatorium at TUPEL.

The former Gail Peters, a native of Trenton, N.J., won the 100-meter breaststroke and 200 butterfly Thursday. Friday, she ran her list of national titles to 66 by winning the 200 breast, 100 fly and 200 individual medley, the latter on 2:08.18 to best her own age group record by two hundredths of a second.

She is highly favored in today's 400 IM, her final event.

Thirty-one years ago Mrs. Roper came to Broad Ripple Park for the U.S. Olympic Trials. "They told me I was too old to make the Olympic Team, but I won the 200 breaststroke," she recalled.

Although she was injured in the 1952 Helsinki Olympics and failed to place, she was ranked No. 1 in the world the following year in the 100 breast.

At ONE time she held 82 national records and she now holds 30 of 33 national marks in her age group.

Mrs. Roper stopped swimming 20 years ago "to get married and have seven children," but she started again in 1980. "I just missed it," she said.

Former world record holder and Olympic gold medal winner Bill Yorzyk won his third event of the day Friday — his fourth in two days — in the meet record time.

Yorzyk, 56, a physician who runs a health service for Massachusetts Mutual Life Insurance Co., won the 100 fly in 1:37.13, the 200 breast in 2:53.76, and the 300 IM in 2:40.14, to go with Thursday's record in the 200 fly.

"People have no idea what Masters can do. There's no limit," said Yorzyk, who gained swimming fame as a citizen at Springfield Mass. College and as a member of the New Haven (Conn.) Swim Club. "Every body says you peak at 14 or 15. People peak when they are physiologically ready, and I don't know when that comes."

Banker Frank McKinney, mean while, got a taste of victory Friday, but he's still hungry.

THE FORMER world record holder in the backstroke won his 50 back heat, but overval in his age group he had to settle for eighth place.

In Thursday's 200 breaststroke, the board chairman of APRB and gold-silver-bronze Olympian placed fifth. Winning his heat in front of his wife, Katie, and three of his six children after a 23-year absence from competition was "terrific," said McKinney. "It felt great. You really feel your way coming back. That's what these meets do. The spirit of competition brings out the best."

"Asked if he was satisfied, he shot back, "Absolutely not. I'll only be satisfied when I finish first."

He gets his chance today, the

Gail Roper eyes finish line en route to 200 breaststroke victory. She also won 100 fly and individual medley in Friday's Masters Swimming tourney.

third day of the meet that drew an international field of nearly 1,000, in the 100 backstroke.

ALSO ON today's agenda, beginning at 9 a.m. are the 200 freestyle, 50 breast, 50 butterfly, 400 individual medley and 200 mixed free relay.

Friday's season produced several dozen more records in every event

and in age classes ranging from 15 to the 80s.

The meet also was a "homecoming" for June Krauser, a Shortridge High School and Purdue alumna who was a founder of U.S. Masters Swimming a dozen years ago.

Mrs. Krauser, 57, of Fort Lauderdale, Fla., became a triple gold med-

al winner Friday by winning the 200 breast and 100 fly in her age group Thursday. She won the 200 fly

Mrs. Krauser swam from age 4 to 20, was on three national champion ship teams at Riviera in the early 1960s and resumed her aquatics career after a 25-year lapse.

## 'Ripple' Swimmer Back After 25-Year Absence

By DICK DENNY

Twenty-five years after he was the 100-meter breaststroke star in the National AAU Outdoor Long Course Swimming Championships at the old Broad Ripple pool, Manuel Sanguily was back in Indianapolis yesterday repeating his victory in the United States Masters Long Course National Championship at the Indiana University Natatorium.

What made yesterday's triumph so impressive was the fact his time was one that a second off that recorded in 1968.

The 50-year-old Sanguily, a native of Cuba who became a U.S. citizen in 1968 ("All three of my children are Americans," he said with obvious pride), won here in '93 with a time of 1:13.7. He won the men's 80-84 100 breast stroke yesterday in a record 1:16.38.

"I swim very well," said Sanguily, who practices medicine in Scarborough, N.Y. "I pride myself in trying to do well. I'm a gracious loser, but poor. I hate to lose."

He has the title of that since retiring in competitive swimming

in 1971, eight years after the Masters program began.

"I quit swimming in 1968 and I can't tell you why I didn't join the Masters program until '78," he said.

"I live on the edge of the Hudson River. Really I started back in swimming because I injured my shoulder playing tennis and I wanted to swim across the Hudson River. It's 2 1/4 miles across where I live."

Sanguily, who's known as Mani ("New York Man," they call me," he said, "and Mani is on my license plate," swam the Hudson in 1977. "I did it with the breast stroke, of course, and we swim it every Labor Day."

In 1978, at age 45, Sanguily set a Masters national record for the 45-49 age group with a time of 1:15.47 at Brown University. Two weeks ago, again at Brown, he broke the 80-84 record with a time of 1:16. That mark was shattered yesterday in what he called "the best pool I've ever been in."

What does the first foreign graduate of the Ohio State medical school recall about his earlier victory here?

"There are two things about 1968 that I remember vividly," he said. "One, it was very cold, and two, it was enormous. It was one of the worst places I ever swam in."

Sanguily recalled that "I began swimming because of my health. I'm an asthmatic. I moved away from Ohio because of the ragweed, and when I got to the airport here yesterday (Wednesday), I got my asthma again."

"I'm in my sixth year of Masters competition and I'll never quit," he said. "Without a doubt, that is the best thing to happen to me, to become an athlete again, both physically and emotionally."

Former Olympian Frank McKinney of Indianapolis, 44-year-old chairman and chief executive officer of American Fletcher National Bank, made his Masters debut yesterday. He finished fifth in the 200 backstroke in the 40-44 age group with a time of 2:28.14.

The meet runs through Sunday, starting at 9 a.m. each day. There is no admission charge.

## Swimming News

**SUBSCRIPTION EXPIRATION DATE** - Look at the three numbers in the right hand corner of your label. The first number represents the last issue number and the last two numbers tell you what year. 184 means that your last issue will be no. 1 of 1984. Usually, there will be a red stamp on the label with the words - TIME TO RENEW.....

**REASON FOR SWIMMING** - Swimming has been my life. Since my husband's death and my childred all grown and on their own, Swimming has taken on a new and important place in my daily schedule. I look forward to the meets I can attend. The people are beautiful.....

**FORT LAUDERDALE, FL** - In this state which has long carried a reputation as a haven for retired senior citizens, the city of Fort Lauderdale leads an interesting double life, a prime vacation spot and a prime location for masters swimming. May 28-31, 1983 the GCM hosted the USMS National Championships which got off to a flying start with D.C. Department of Recreation swimmer Alfonso Allen winning the 100 yd butterfly for his first National Championship title. This was also a land mark occasion for Masters Swimming in that Allen was the first black in the program and now is the first black to win a Masters National Championship! Allen (53) coach of the DC Dept. of Rec Swim Team could not tell who had won the race at the end. All eyes turned in the direction of the electronic timing board to get the verdict. Al first in 1:05.18, Reynolds 2nd in

in 1:05.95 and Emes 3rd in 1:06.83. Allen also placed 3rd in the 50 fly. Good luck Al and keep up the good work.....  
**WHAT NEXT?** (for explanation, see end) - By way of introduction, in my 18 years of competitive swimming I have had approximately 20 coaches, give or take an assistant or two. Although this plethora of coaches did not make me a fantastic swimmer, I did become exposed to quite a few coaching philosophies, techniques, and methods. My varied background allows me to devise a wide variety of workouts and practice sets. My basic workout organization follows the design of Mr. Paul Reef, my coach for two summers and one Christmas vacation. Many of my current techniques are from my period of time with Coach Reef. The workout is organized into five major sections. The percentage of time (approx) that should be devoted to each section is given after the short explanation:

- A. Warmup - slow, easy swimming: 10%
- B. Warmup Set(s) - see below: 20%
- C. Main Set(s) - structured for each swimmer's specialty: 50%
- D. Sprints - very hard, near race-pace: 15%
- E. Cooldown - start out fairly fast and slow down gradually, ending very relaxed. Take as much time as necessary; injuries can be prevented here: 5%

Section B: "Warmup Sets" was Coach Reef's most unique section. Warmup sets consist of numerous short swims, usually with limited and/or decreasing rest. Most of the kicking and pulling in the workout occurs in this section. A classic example, from a 3-hour workout: 10 x 50 on :50 - 1 min rest - 10 x 50 on :45 - 1 min rest - 10 x 50 on :40 - 1 min rest - 10 x 50 on :35. (25 yd) I remember this set because Coach Reef threatened to make us start over from the top if the last ten 50's weren't kept under 35 sec. Good incentive. The maximum distance in warmup sets is usually 100 yards (or meters). "Broken" swims, such as 25 x 75 with 5 sec rest at the break, are useful variations. The basic philosophy of this portion of the workout is that the sprinters get most of their cardiovascular training here, and the stroke and distance specialists get loosened up for the main sets to follow. Most of the sts are pure freestyle, except for kicking, in which stroke specialists usually kick their specialty. Novelty Set of the Month (courtesy of Bill Keeler) Long Course 25's: Sprint to the center fo the pool, wait 10 sec - sprint the second 25 with the head out of water, a la water polo. This set can be done short course too. It's different - not meant to be easy. (Title Explanation: This is one of the most common expressions swimmer say to a coach during a workout. "Are you kidding?" is also popular.) J.A..  
**EDITOR'S NOTE** - I am not a good photographer. If you have some good pictures, black & white or color, please share them with us. Thanks.....
